## **The Art of Metal: Five Decades of Heavy Metal Album Covers, Posters, T-Shirts, and More**

Since the late 1960s, the imagery of the heavy metal genre has been closely connected with the music itself. Classic albums evoke memories of famous cover artwork; metal bands have become forever synonymous with their iconic logos; and landmark live shows have led to instantly recognizable gig posters that embody the time, place, and passion of the events. It's even possible to trace the genre's evolution by examining a continuum of its art. In *The Art of Metal*, renowned music journalist Malcolm Dome offers a beautifully presented chronological collection of the colorful, outlandish, and sophisticated album covers, posters, T-shirts, and more that span decades of heavy metal music. More than 400 gorgeously reproduced works of art are complemented by in-depth features, including quotes from the graphic artists and musicians responsible for them. Dome also spotlights the metal genre's most influential artists and photographers and delves into other topics that include metal merch, magazines, fashion, and tattoos. In the process, *The Art of Metal* illustrates and explores the close-knit relationship between those timeless riffs that thunder from Marshall stacks and the images that have come to represent the songs, anthems, and sheer nature of headbanger culture—a must for any true thrasher's bookshelf.
