Gardner's Guide to Feature Animation Writing: The Writer's Road Map teaches how to develop marketable animation stories and scripts. Through a simple analogy, you will come to understand the basics of writing for animated features while discovering the distinctions between animation and live-action scripts and examining feature animation genres. In addition, you will be given the tools to create cohesive plot structures for the animated screenplay, fascinating characters, original scenes, and dynamic dialogue. And if you are a bit intimidated about integrating comedy into your animation screenplay, never fear, for once you've mastered Chapter 14 on comedy cones, your script will have the reader laughing out loud. Includes the "secret" and scene-by-scene specific structure included in Gardner's Guide to Screenwriting, with some minor variations. By applying this structure creatively and effectively, your feature animation script will stand out among the thousands of scripts that circulate around studio lots.
