Humani nil a me alienum puto (Nosce te ipsum Vol. 6) (Italian Edition) Anonymous

«Non voglio tralasciare nulla, tutto ciò che riguarda l'umanità e le sue realizzazioni è in grado di destare interesse in me». Una bella affermazione, che ben può rappresentare lo spirito di curiosità e la sete di sapere insita nell'essere umano.

Una dichiarazione di appartenenza, in verità, che sottolinea una tendenza all'unità e alla partecipazione: “poiché sono un essere umano” – sostiene – “mi interessa tutto ciò che riguarda l'umanità”, nulla escluso.

Il libro esamina proprio l'essere umano, nell'ottica di una preparazione alla ricerca di sé. Occorre però un lavoro preliminare, volto a "vedere" tutte le identificazioni, le maschere e le false identità che ostacolano una vera presa di coscienza di se stessi.

Si tratta di un percorso di osservazione e lucida visione consapevole di uno stato condizionato, in grado di evolversi verso un quadro più realistico di sé e del mondo circostante.

Personalità, struttura dell'io, meccaniche energetiche e stadi della consapevolezza individuale sono gli argomenti principali di un testo che ripercorre le tappe fondamentali della preparazione ad un'autentica e non condizionata ricerca di sé stessi, indipendentemente dalla tradizione spirituale scelta.
