**Scutchfield and Keck's Principles of Public Health Practice** Paul C Erwin, Ross C. Brownson  
PRINCIPLES OF PUBLIC HEALTH PRACTICE, Fourth Edition explores how public health departments offer and manage services through community and government organizations, along with related careers. Written and edited by seasoned public health professionals, this book addresses the fundamentals of public health operations and systems, including key definitions, a history of the discipline, public health settings, the link between public health and health care delivery, epidemiology, policy and administration, evidence-based decision making, legal considerations, and much more. Completely updated and redesigned, PRINCIPLES OF PUBLIC HEALTH PRACTICE, Fourth Edition also includes helpful features, such as chapter review questions and appendices, and a robust set of optional e-learning tools that help you study when and where it works best for your lifestyle.
