In the quiet suburb of Harting Farms, the weekly crime blotter usually consists of graffiti or the occasional bout of mailbox baseball. But in the fall of 1993, children begin vanishing and one is found dead. Newspapers call him the Piper because he has come to take the children away. But there are darker names for him, too . . .

Vowing to stop the Piper's reign of terror, five boys take up the search. Their teenage pledge turns into a journey of self-discovery . . . and a journey into the darkness of their own hometown. On the twilit streets of Harting Farms, everyone is a suspect. And any of the boys might be the Piper's next victim.
