For Discrimination: Race, Affirmative Action, and the Law

Randall Kennedy

For Discrimination: Race, Affirmative Action, and the Law Randall Kennedy

For Discrimination is at once the definitive reckoning with one of America's most explosively contentious and divisive issues and a principled work of advocacy for clearly defined justice.

What precisely is affirmative action, and why is it fiercely championed by some and just as fiercely denounced by others? Does it signify a boon or a stigma? Or is it simply reverse discrimination? What are its benefits and costs to American society? What are the exact indicia determining who should or should not be accorded affirmative action? When should affirmative action end, if it must? Randall Kennedy gives us a concise and deeply personal overview of the policy, refusing to shy away from the myriad complexities of an issue that continues to bedevil American race relations.
