ReViewing Chess: Ruy Lopez (Spanish), Other 5th Moves, Vol. 169.1 utilizes the cinema method permitting anyone to play hundreds of masterful games. As part of the openings collection, these games allow one to gain a look and feel of a position's orientation while facing the uncertainty one would face as if they played the game themselves.

About ReViewing Chess:

This series reverts back to a nineteenth century printing technique, cinéma des échecs, to reinvent the chess book as a training tool. Based on a method that not only understands the problems facing those whom attempt to study the game but addresses these problems head on by realizing a framework that eliminates the social obstacles preventing players from recognizing the joy and intellectual satisfaction the study of chess inspires.
