## **The Complete Whale-Watching Handbook: A Guide to Whales, Dolphins, and Porpoises of the World**

Ben Wilson, Angus Wilson

The Complete Whale-Watching Handbook is a spectacular celebration of whales, porpoises, and dolphins, and of the immense diversity of opportunities to view these spectacular marine mammals in the wild. Once the stuff of fishermen's yarns and literary classics, we can all now experience the excitement of an eye-to-eye encounter with a whale, dolphin, or porpoise.

This book covers the biology of each creature listed, focusing on the species that can be seen on excursions, the behaviors likely to be encountered, and the nature of the industry. There is also a species guide, followed by a comprehensive region-by-region guide to whale-, dolphin-, or porpoise-watching opportunities worldwide. Up-to-date listings include contact information and a seasonal analysis of the species that can be expected. There are also sections explaining the study of whales, dolphins, and porpoises, examining the impact of whale-watching on whale populations, and offering practical advice on how to view, photograph and enjoy these creatures in the wild.
