The Munch Murders: A Megan Crespi Mystery Novel Alessandra Comini

The art world is stunned. In the space of a little over a week three Edvard Munch paintings, including the iconic Scream, have been stolen from museums in Oslo and Stockholm. Retired professor of art history Megan Crespi, on vacation in Scandinavia with her little Maltese dog Button and her old friend Lili Holm, is asked to help. In her capacity as Munch specialist, she visits three possible suspects, all major collectors of Munch, and soon finds her life is endangered. Being kidnapped had not been in her plans. Who is responsible? The fanatical Norseliga clan, with its emphasis on Norwegian superiority? The beautiful cosmetics queen, Myrtil Kildahl, who hides her German roots, or the Swedish collector who denies he is the grandson of writer August Strindberg? Pursuit of the truth takes Megan from Copenhagen and Oslo, to Bergen and Trondheim, and finally to Stockholm and the myth-laden island of Runmarö. Megan's dog adds an element that qualifies him as a detective second only to his mistress. Includes Readers Guide.
