**Pediatric Nursing Review and Resource Manual, 3rd Edition with Addendum** Mary Jo Gilmer, Clara Richardson

Written by experts in pediatric nursing, this book provides a clinical reference tool and continuing education contact hours. This manual helps readers enhance critical thinking skills and identify strengths and weaknesses. This manual contains an addendum, which includes information from the revised test content outline to ensure the manual is up to date. This additional information will assist you with successful study for the certification exam and may be used as a guideline for your practice. Contact hours are available online for an additional fee. See ANA's website for more information. We are unable to accept returns for this manual. Please double-check your order before submitting.
