## Uniforms, Equipment and Weapons of the American Expeditionary Forces in World War I Bret Werner

Uniforms, Equipment and Weapons of the American Expeditionary Forces in World War I is a detailed look at the uniforms, equipment, weapons, personal items, insignia, and specialist equipment of the American Army during the Great War. This comprehensive study uses over 100 original black and white photographs of American soldiers, many of which are previously unpublished. The book also shows over 700 full color photographs of original items as well as recreated scenes that bring many of these items to life. Finally, one book that covers all of the nuances of the American Doughboy during the Great War, from common uniforms and equipment, to the rare experimental and private purchased items. This is an indispensable work for any First World War collector, living historian, modeller and enthusiast.
