How will love evolve? In this update to the Kama Sutra the future of sexuality is examined in relation to our evolving world society and increasing mass communication. Global culture and the rise of the internet are shaping our new attitudes toward sex and religion. The development of a new philosophy of love called Shiwally is essential to finding modern happiness and satisfaction. This book reveals the Shiwally philosophy principle, as well as the relationship between sex and karma. It also discusses interesting ideas about the range of sexuality in women, the Hindu philosophies of heterosexuality, homosexuality, virginity, and the polygamous marriage as well as legal sex in modern Islam. Combining the wisdom of the Karma Sutra with modern sexual attitudes, A Thousand Ways to Love opens the mind to a new way of thinking about relationships.
