Make Me A Copy: A compilation of some of the best messages ever sent through the workplace (1971-1999) (Send Me A Copy) (Volume 4) Mr. Robert D. Kramer

Through its compilation of the very messages we sent to one another, "Make Me A Copy", will have you laughing and recalling the good times, and those important events of the era. The amazing stories, jokes and poems that this book contains will kindle the nostalgia of your past in a perspective very unique to the views of others in the workforce, where we have spent almost one-third of our lives. Many pieces we agreed with, others we may not have; but reading the perspectives of others exercised our right to agree or disagree. It also gave a wider view of how others saw things. Most of the time we laughed until our sides ached from the clever wittiness that could only be found in the stream of consciousness of humanity we were so connected with in the workplace. Those special times of escape were always enjoyed and ever appreciated. And now you can enjoy them again and again, anytime you feel like. Whether on the throne or sitting with a cup of hot coffee reminiscing with friends, you will be able to enjoy this book and refer back to it for years to come. Get your copy today and save a piece of much of the relevance of our past!
