Set Up For Love Virna DePaul, Susan Hatler, Veronica Blade

Friends Don't Let Friends Date Badly... Three stories. Three authors. Three kinds of romance. Sweet. Sassy. Sexy. Sweet: The Boyfriend Bylaws by Susan Hatler: Will a woman have to follow her best friend's narrow dating rules in order to find lasting love? Melanie Porter has been dumped—again. When others accuse her of “being in love with being in love,” she agrees to let her best friend, Patti, step in and direct her dating life with The Boyfriend Bylaws. Sassy: Blind Date, Checkmate by Veronica Blade: Should a woman who’s unable to forget her first love give “happily ever after” one more try? Shelby Winters’ one great love went sour. If she can’t feel that way again, why bother? When her best friend sets Shelby up on a blind date with Logan, the one who broke her heart, he pursues her relentlessly, forcing her to make a choice: give her heart what it’s always desired and risk total devastation or shut Logan out and lose her only shot at happiness. To Shelby, it’s a lose-lose situation. Or is it? Sexy: Wild For Him by Virna DePaul: Can an uptight prosecutor and a laid-back defense attorney find love despite their opposing agendas? Bryn Donovan became a prosecutor for a reason and defense attorney Daniel Mays seems to take his job about as seriously as he does his love life. While straight-laced Bryn can't deny she's attracted to the southern charmer, she's determined to keep her distance. Instead, she ends up finding something she'd lost long ago--a willingness to risk all for love. Bonus: My Last Blind Date by Susan Hatler: Should Rachel Price play it safe and spend Valentine's Day at home with her loyal pooch, Chester, or risk another dating disaster by letting her best friend set her up on a blind date?
