Study Guide for Microeconomics William Walstad

Many students find the Study Guide indispensable. Each chapter contains an introductory statement, a checklist of behavioral objectives, an outline, a list of important terms, fill-in questions, problems and projects, objective questions, and discussion questions. The answers to Economics' end-of-chapter Key Questions appear at the end of the Study Guide, along with the text's glossary. The Guide comprises a superb 'portable tutor' for the principles student.
