**The Third Son: A Novel** Julie Wu

**“Clear your schedule! *The Third Son* is your next obsessive read. Julie Wu’s book reads like an instant classic.”** ?Lydia Netzer, author of *Shine Shine Shine*

In the middle of a terrifying air raid in Japanese-occupied Taiwan, Saburo, the least-favored son of a Taiwanese politician, runs through a forest for cover. It’s there he stumbles on Yoshiko, whose descriptions of her loving family are to Saburo like a glimpse of paradise. Meeting her is a moment he will remember forever, and for years he will try to find her again. When he finally does, she is by the side of his oldest brother and greatest rival.

In Saburo, author Julie Wu has created an extraordinary character, determined to fight for everything he needs and wants, from food to education to his first love. *The Third Son* is a sparkling and moving story about a young boy with his head in the clouds who, against all odds, finds himself on the frontier of America’s space program.

“An appealing coming-of-age story packed with vivid historical detail.” ?*The Christian Science Monitor*

“A boy growing up in Japanese-occupied Taiwan in the 1940s will do anything to escape his tormenting family and reconnect with his first love in this compelling work of fiction.” ?*O: The Oprah Magazine*

“Deceptively simple, deeply compelling . . . An unusually awful sibling rivalry, a stunningly pure and inspiring love story.” ?*The Boston Globe*

“Wu presents an alluring story that hits all the right emotional buttons and maintains readers’ empathy from the first page to the last.” ?*Kirkus Reviews*
