Sidelined by injuries from a vicious assault, chaplain Riley Hale is determined to return to her former duties as an ER nurse. But how can she show she's competent when the hospital won't let her attempt even simple tasks? Determined to prove herself, Riley volunteers at a controversial urban free clinic despite her fears about the maverick doctor in charge.

Dr. Jack Travis defends his clinic like he's commander of the Alamo. He'll fight the community's efforts to shut its doors, even if he must use Riley Hale's influential family name to make it happen.

As Riley strives to regain her skills, Jack finds that she shares his compassion and stirs his lonely heart. Riley senses that beneath Jack's rough exterior is a man she can believe in. But when clinic protests escalate and questions surface about his past, Jack goes into battle mode and Riley wonders if it's dangerous to trust him with her heart.
