## **600 Hours of Edward** Craig Lancaster

A 39-year-old with Asperger's syndrome and obsessive-compulsive disorder, Edward Stanton lives alone on a rigid schedule in the Montana town where he grew up. His carefully constructed routine includes tracking his most common waking time (7:38 a.m.), refusing to start his therapy sessions even a minute before the appointed hour (10 a.m.), and watching one episode of the 1960s cop show *Dragnet* each night (10 p.m.).

But when a single mother and her nine-year-old son move in across the street, Edward's timetable comes undone. Over the course of a momentous 600 hours, he opens up to his new neighbors and confronts old grievances with his estranged parents. Exposed to both the joys and heartaches of friendship, Edward must ultimately decide whether to embrace the world outside his door or retreat to his solitary ways.

Heartfelt and hilarious, this moving novel will appeal to fans of Daniel Keyes' classic *Flowers for Algernon* and to any reader who loves an underdog.

#### **Ena Clark:**

In this age globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher which print many kinds of book. Typically the book that recommended for you is 600 Hours of Edward this publication consist a lot of the information from the condition of this world now. This kind of book was represented just how can the world has grown up. The language styles that writer use to explain it is easy to understand. Often the writer made some investigation when he makes this book. That is why this book ideal all of you.

#### **Jennifer Knott:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this 600 Hours of Edward can make you really feel more interested to read.
