Defeated Demons: Freedom from Consciousness Parasites in Psychopathic Society Thomas Sheridan
Psychopaths are not human. Psychopaths will leave effusive and flattering comments on your social network page after you friend them. They will text you numerous times a day and call you on the phone just to hear your voice before they sleep. They continually quiz you about your sexual fantasies then enthusiastically promise to fulfil them all on the day you physically meet. Steadily and by degrees they build a comprehensive profile of you in order to create a blueprint for constructing a mirror-perfect soulmate persona and then, they claim you. They claim your heart, your energy, creativity, happiness, peace, sanity, strength and in some cases, all or most of your worldly goods. Then they begin to destroy you. Eternally hungry, forever empty, they never stop seeking the one thing that makes you human and the one thing they will always lack: your soul.
