## **Physics for Scientists and Engineers: Standard Version** Paul A. Tipler, Gene Mosca

For nearly 30 years, Paul Tipler's *Physics for Scientists and Engineers* has set the standard in the introductory calculus-based physics course for clarity, accuracy and precision. In this Fifth Edition, Gene Mosca brings his years of teaching to bear on the text, to scrutinize every explanation and example from the perspective of the freshman student. The result is a teaching tool that retains its precision and rigor, but offers struggling students the support they need to solve problems strategically and to gain real understanding of physical concepts.
