StreetCreds is a look inside the world of street gangs and the cops that work them. I worked the street for many years before I entered the Gang Task Force, joining it with the idea that I could rise to the level of violence of any banger I encountered - a really stupid idea. I grew up in this city, and I worked its streets the best way I knew how, feeling that I had a firsthand understanding of what the citizens were experiencing. The increasing frustration at gang crimes, drive bys, robberies, never feeling safe with your kids in your own neighborhood - I wanted to do what I could to make that fear go away. Once I was inside the task force, though, the reality was a rude awakening. The task force was poorly managed and staffed by detectives mostly out for themselves, and the internal politics made success incredibly difficult and almost impossible - almost, but not quite. Witnessing bad cops, brutal crimes, and realizing the department had been compromised. I left the unit two years later, severely broken, edgy, and dangerously damaged. **StreetCreds** is the story of how all that came to be. Hold on for a reality check. ~ Zach

StreetCreds has been awarded a Gold medal in the 2014 Readers Favorite International book awards contest in the true crime genre. StreetCreds has been ranked #2 in true crime best sellers on Amazon.com
