The Armed Forces of North Korea Joseph S. Bermudez Jr.

Despite frequent predictions of imminent collapse, the Democratic People's Republic of North Korea continues to pose a threat to South Korea. The armed forces continue to be the core of the regime, deploying formidable paramilitary and internal security forces against its own people, maintaining a wide network of intelligence services throughout the region and developing an arsenal of weapons of mass destruction. *The Armed Forces of North Korea* provides a detailed account of the links between the regime and the forces, and then describes each wing: air, naval, ground forces, paramilitary, internal security, and intelligence reviews.
