The Lonely Ones Kelsey Sutton

When your only friend is your own endless imagination, how do you escape your mind and connect to the world around you?

With parents too busy to pay her attention, an older brother and sister who would rather spend their time with friends, and peers who oscillate between picking on her and simply ignoring her, it's no wonder that Fain spends most of her time in a world of her own making. During the day, Fain takes solace in crafting her own fantastical adventures in writing, but in the darkness of night, these adventures come to life as Fain lives and breathes alongside a legion of imaginary creatures. Whether floating through space or under the sea, climbing mountains or traipsing through forests, Fain becomes queen beyond--and in spite of--the walls of her bedroom.

In time, Fain begins to see possibilities and friendships emerge in her day-to-day reality . . . yet when she is let down by the one relationship she thought she could trust, Fain must decide: remain queen of the imaginary creatures, or risk the pain that comes with opening herself up to the fragile connections that exist only in the real world? Told in breathless and visual verse, **THE LONELY ONES** takes readers through the intricate inner workings of a girl who struggles to navigate isolation and finds friendship where she least expects it.

Praise for *The Lonely Ones*:

* "Spare and poignant, every word of this haunting and elegant novel in verse feels painstakingly selected....Fain's story is simply a brilliantly crafted coming-of-age novel that will appeal to the hearts and minds of all readers who have ever felt alone."--*Kirkus Reviews* *STARRED REVIEW*

From reader reviews:

Diane Adams:

Book is usually written, printed, or descriptive for everything. You can understand everything you want by a reserve. Book has a different type. To be sure that book is important factor to bring us around the world. Close to that you can your reading expertise was fluently. A reserve The Lonely Ones will make you to possibly be smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It's not make you fun. Why they may be thought like that? Have you in search of best book or appropriate book with you?

Frances Carpenter:

As people who live in typically the modest era should be update about what going on or information even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what one you should start with. This The Lonely Ones is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Frances Hayes:

You can obtain this The Lonely Ones by visit the bookstore or Mall. Only viewing or reviewing it can to be your solve challenge if you get difficulties to your knowledge. Kinds of this guide are various. Not only through written or printed but in addition can you enjoy this book by e-book. In the modern era just like now, you just looking because of your mobile phone and searching what your problem. Right now, choose your current ways to get more information about your e-book. It is most important to arrange yourself to make your knowledge are still change. Let's try to choose proper ways for you.

Michael Clark:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Lonely Ones can make you feel more interested to read.
