## **When Charlie McButton Lost Power** Suzanne Collins

Charlie McButton likes computer games so much, he never plays with anything else. When a thunderstorm knocks out the electricity, his tech empire comes tumbling down, and his whole world loses power. Charlie needs batteries?FAST! But the only triple- A?s he can find are in his little sister?s talking doll. Will he resort to desperate measures and cause his sister to have a meltdown of her own? Or will he snap out of his computer craze long enough to realize his sister might be fun, even if she doesn?t come with batteries? Collins and Lester team up for a hilarious and timely tale that will crack up young computer addicts and those who love them!

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this When Charlie McButton Lost Power can make you experience more interested to read.
