For 35 years, Dr. John Rutledge has traveled the world advising governments, corporations, pension funds and individual investors on how to create, grow and manage wealth. In *Lessons from a Road Warrior*, Dr. Rutledge traces the development of his ideas from his boyhood lessons in Winthrop Harbor, Illinois, to his easy-to-understand thermo-economics framework for investing that shapes the way he sees the world today. He uses this thermodynamics-based framework to help the reader understand the important economic, financial and political forces that shape our lives and determine the value of our homes and stock portfolios.
