(Power Tools). Apple's Logic 9 is the most comprehensive and complete music production software package on the market today. Logic 9 Studio comes with an impressive array of software instruments, plug-ins, synthesizers, applications, and more, while the slimmed-down Logic 9 Express delivers an amazing amount of power with many of the same plug-ins and a nearly identical digital audio and MIDI workstation production application. Power Tools for Logic 9 unlocks Logic's immense capabilities to help you achieve amazing results for your audio and music productions with techniques you won't find in beginner-level books or videos. Rick Silva teaches you powerful ways to use both Studio and Express, giving you easy-to-understand strategies for using the complex production tools built into Logic. You'll tap into known features in ways you never thought of before while learning to use new features to produce spectacular audio recordings. Go beyond beginner with Power Tools for Logic 9!
