The Key to Theosophy by H. P. Blavatsky H. P. Blavatsky

The purpose of this book is exactly expressed in its title, "THE KEY TO THEOSOPHY," and needs but few words of explanation. It is not a complete or exhaustive text-book of Theosophy, but only a key to unlock the door that leads to the deeper study. It traces the broad outlines of the Wisdom Religion and explains its fundamental principles, meeting, at the same time, the various objections raised by the average Western Enquirer, and endeavouring to present unfamiliar concepts in a form as simple and in language as clear as possible. That it should succeed in making Theosophy intelligible without mental effort on the part of the reader would be too much to expect; but it is hoped that the obscurity still left is of the thought, not of the language, is due to depth, not to confusion. To the mentally lazy or obtuse, Theosophy must remain a riddle; for in the world mental as in the world spiritual, each man must progress by his own efforts. The writer cannot do the reader's thinking for him, nor would the latter be any the better off if such vicarious thought were possible. The need for such an exposition as the present has long been felt among those interested in Theosophy and its work, and it is hoped that it will supply information, as free as possible from technicalities, to many whose attention has been awakened, but who, as yet, are merely puzzled and not convinced. H.P.B.

Tom makes some research prior to write this book. This particular book very easy to read you can find the point easily after scanning this book.

Lois Schooley:

With this era which is the greater man or who has ability in doing something more are more valuable than other. Do you want to become considered one of it? It is just simple way to have that. What you are related is just spending your time very little but quite enough to get a look at some books. One of many books in the top record in your reading list is usually The Key to Theosophy by H. P. Blavatsky. This book which is qualified as The Hungry Hillside can get you closer in becoming precious person. By looking upwards and review this book you can get many advantages.

Robin Lawrence:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Key to Theosophy by H. P. Blavatsky can make you sense more interested to read.
