A Biography of the English Language

C.M. Millward, Mary Hayes

A Biography of the English Language C.M. Millward, Mary Hayes

The third edition of A BIOGRAPHY OF THE ENGLISH LANGUAGE continues to examine the structure of English, from its Indo-European pre-history, through the invasions that shaped Old and Middle English, through its speakers' conscious efforts to police it in the Early Modern period, through its present-day transformations manifest in urban slang and text-messaging. The textbook explores three important issues: how languages and language change are systematic; how the inner history of a language is profoundly affected by its outer history of political and cultural events; and how the English of the past has everywhere left its traces on present-day English. By uncovering the language's past, one can better use it to communicate as well as speculate about its future use in ever-changing globalized media.
