Act of Surrender (PSI-Ops / Immortal Ops) (Psi-Ops (Part of the Immortal Ops World)) Mandy M. Roth

Paranormal Shifter Military Special Ops Romance Dr. James Hagen thought he'd bid Paranormal Security and Intelligence Agency good riddance nearly ten years back. He'd been an operative with them for so long that carving out a new path in life had taken time, but he'd achieved it. He'd made it his mission in life to help the wayward find a path again, to help those who couldn't help themselves. All that changed when he fell into enemy hands. Now, unable to fully heal and plagued by nightmares and choppy visions of what is to come, James isn't sure if he can keep going. That is, until he meets PSI's newest person of interest--a quirky, sexy cyber punk who totally turns his world upside down.

Laney Steele knows she's onto something. It doesn't matter that most have written her off as a conspiracy theorist and a hacktivist. She knows the government is hiding the existence of super soldiers who can shapeshift into animals. She's so sure that she puts herself on the line to find out more, only what she uncovers isn't exactly what she was hoping for, and it has a heck of a lot more to do with her than she ever thought possible. When her new online gamer buddy turns out to be a super soldier, she throws caution to the wind just for a chance to be with him. Neither one of them realize the enemy has been lurking, waiting for the perfect moment to strike--again.

This book is intended for adults only.
