For people who came of age watching Footloose, Dirty Dancing, and Fast Times at Ridgemont High, Say Anything is a funny and completely addictive book that tests just how much of an '80s buff one really is. Not since Six Degrees of Kevin Bacon (Plume) have movie fanatics been handed such a humorous tool for testing their archives of Trivia knowledge. Here's how it works: readers get a single line from an '80s film and then are asked to guess the name of the movie and the character and/or actor who made the line famous.
