The Lesser of Two Evils Zoe E. Whitten

Davis Briggs moved out of Austin to get away from the the horrors of his old life as a homicide detective, and Devine Texas seemed like the perfect place to make a new life for himself. But the murder of a young boy destroys his hopes of a quiet life as a deputy of the tiny town's police force. With every passing day, another child dies, and Davis finds himself unable to locate any clues as to the killer's identity. His only leads in the case are Wendy Stoffel, a local girl infamous for her nasty temper and shoplifting habits, and Jobe McKenzie, a drifter who just happens to have appeared in town on a "vacation" the same day that the murders begin. Jobe seemingly has a lock clad alibi for every murder, while Wendy seems intent on hunting down the killer herself. And somewhere in Devine, the real killer is quickly seeking out their next victim.
