The Oxford History of the Crusades

The Oxford History of the Crusades

In this collection of essays, the story of the Crusades is told as never before in an engrossing and comprehensive history that ranges from the preaching of the First Crusade in 1095 to the legacy of crusading ideals and imagery that continues today. Here are the ideas of apologists, propagandists, and poets about the Crusades, as well as the perceptions and motives of the crusaders themselves and the means by which they joined the movement.

The book's coverage ranges from the elaborate social and civic systems that arose to support the Crusades to in-depth and vivid descriptions of the battles themselves. The contributors provide keen and insightful commentary on the reactions of the Muslims to a Christian holy war. Also included are studies of crusades outside the eastern Mediterranean region as well as post-medieval crusades.

By describing the combat and homefront conditions, by evaluating the clash (and coalescence) of many cultures, by tracing a legacy that continues in our conflict-ridden present, and by documenting the enduring artistic and social changes that the Crusades wrought, *A History of the Crusades* offers an unsurpassed panorama of one of the great movements in western history. All students of medieval culture, religion, politics, and/or history will find in these pages a highly useful, thorough, and contemporary account of that movement.

From reader reviews:

Angel Sherrill:

Book is written, printed, or highlighted for everything. You can realize everything you want by a book. Book has a different type. As we know that book is important factor to bring us around the world. Alongside that you can your reading skill was fluently. A guide The Oxford History of the Crusades will make you to end up being smarter. You can feel considerably more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they could be thought like that? Have you seeking best book or ideal book with you?

Eli Benton:

This The Oxford History of the Crusades book is simply not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is actually information inside this book incredible fresh, you will get information which is getting deeper you read a lot of information you will get. That The Oxford History of the Crusades without we recognize teach the one who studying it become critical in imagining and analyzing. Don't always be worry The Oxford History of the Crusades can bring any time you are and not make your carrier space or bookshelves' grow to be full because you can have it inside your lovely laptop even cellphone. This The Oxford History of the Crusades having excellent arrangement in word in addition to layout, so you will not feel uninterested in reading.

Donald Tuel:

Playing with family in a very park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, then why you don't try factor that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Oxford History of the Crusades, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't get it, oh come on its called reading friends.

Susan Bannister:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Oxford History of the Crusades can make you sense more interested to read.
