The V'Dan: First Salik War Jean Johnson

A thrilling new perspective of the world created in the explosive, national bestselling *Theirs Not to Reason Why* series. It's two hundred years earlier—the age of the First Salik War. And the battle against humanity has been engaged.

The V'Dan always believed they were the chosen race, destined to make a mark on the galaxy. For the last few centuries, they interacted peacefully with other sentient species—save for the Salik. Cold, amphibious, and vicious, the Salik were set on one goal: to conquer every race within their grasp.

Now that the Salik's ruthless war has begun, the fate of the galaxy is in the hands of two strange companions: Li'eth, a prince under siege and his rescuer, Jacaranda MacKenzie. A beautiful ambassador from the Motherworld, Jackie possesses more than the holy powers of a goddess. She brings a secret weapon—a strange, wondrous, and dangerous new technology that could be her and Li'eth's last and only hope to save their people from extinction...
