A Journey to the Center of the Mind: Book 1 James R. Fitzgerald

Jim Fitzgerald recounts his experiences during the 1960s and 1970s in this sometimes funny, sometimes tragic, but always moving portrait of an FBI profiler as a young man. From his first-ever successful investigation at six years old, face-offs with childhood bullies, and encounters with naked-ish neighborhood interlopers; to high school and college antics, lifeguard summers, friends, including a future convicted killer 'friend'; from early admiration for and later run-ins with law enforcement to his stint as store detective and ultimately his graduation from the Police Academy, Fitzgerald shares the good, the bad, and the not-so-pretty of his early life's journey.
