*They hide in the shadows to protect our country...can they protect their hearts?*

**From New York Times and USA Today bestselling author CJ Lyons comes the long awaited conclusion of her Shadow Ops trilogy!**

The Special Threats Response Team hunts terrorists out of the reach of conventional law enforcement.

Their leader, Rose Prospero has already faced her own worst fear: five years ago she was captured and tortured when the CIA abandoned her behind enemy lines. Since then, she's focused her energies on protecting her Team and her country from monsters like the man who captured her. The Team and the job come first, last, always for Rose, leaving no room for love.

Former Delta, Billy "Edge" Price is Rose's second-in-command and her best friend. Suave, skilled, and a smooth operator, Billy loves his job—and his boss. He can't have both, so he's settled for using his position to stay close to Rose.

As they face enemies from without and within, on the run from anyone who could help them, Rose and Billy learn each other's deepest secrets, face their greatest fears, and sacrifice everything for Team, Country...and Love.
