Learn how to be a successful, positive puppy parent on the very first night!

Many of us have gone through what can be the painful process of puppy training. Most of this pain can be avoided through gaining knowledge before your new puppy (or rescue) comes home.

Knowing that the success of your new puppy depends on your knowledge of dog psychology and mother nature sets you up for an extremely positive dog training experience.

One of the most challenging parts of this process is getting your puppy to sleep the entire night. Constant whining, barking and scratching can be a common occurrence. Many owners while meaning well actually do the OPPOSITE of what they should be doing, causing behavioral problems down the road.

The other challenge many new dog owners face is housebreaking / housetraining. Frequent accidents over the span of months and a destroyed house is a reality that many inexperienced owners face. This entire process can be cut down significantly with success happening sometimes in a matter of weeks with the right strategies and most importantly actions.

In this ebook you will discover the fundamentals of crate training, house breaking / housetraining and creating a space to have your puppy sleep at night. These techniques have been tried and tested and i am 100% confident with patience, positivity and a bit of hard work you will have an exceptionally trained puppy in no time!
