## **The Army of Afghanistan: A Political History of a Fragile Institution** Antonio Giustozzi

This book is the first full length political history of the Afghan Army, and as such is unparalleled in the range and depth of its analysis of this vitally important institution. Giustozzi locates the Army's development within the wider context of state-building in Afghanistan. His volume includes a brief survey of the period to 1953, but focuses mainly on subsequent developments, over the last four decades, as the officer corps began to be politicised and later factionalised, especially during the Russian-backed regime of the Communist People's Democratic Party of Afghanistan (PDPA), which ruled the country from 1978 to 1992. Despite the stress on the politics of praetorianism, the volume describes the Afghan Army's performance on the battlefield in detail, highlighting the potential contradiction between military effectiveness and political loyalty to the ruling elite. The volume covers developments to the end of 2013 and is the result of extensive interviews conducted with both Afghan Army officers and their advisers and mentors.

This great information could drawn you into completely new stage of crucial thinking.

#### **Russell Fielder:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Army of Afghanistan: A Political History of a Fragile Institution can make you feel more interested to read.
