The Magic Christian Terry Southern

One of the funniest, cruelest, and most savagely revealing books about American life ever written, *The Magic Christian* has been called Terry Southern's masterpiece. Guy Grand is an eccentric billionaire — the last of the big spenders — determined to create disorder in the material world and willing to spare no expense to do it. Leading a life full of practical jokes and madcap schemes, his ultimate goal is to prove his theory that there is nothing so degrading or so distasteful that someone won't do it for money. In Guy Grand's world, everyone has a price, and he is all too willing to pay it. A satire of America's obsession with bigness, toughness, money, TV, guns, and sex, *The Magic Christian* is a hilarious and wickedly original novel from a true comic genius.
