The New York Beauty block, a clean, precise, starburst pattern, has been a classic quilt design for years. The sharp points and curved seams have often intimidated quilters. Thanks to Linda Hahn's simple paper-piecing foundation method, you'll sew a gentle arc that guarantees a perfect New York Beauty block every time. Twenty-one projects, from small to large wallhangings, applications on sweatshirts, and a tote bag showcase the numerous design possibilities that Linda is famous for teaching. Quilting patterns for each project are included as an added bonus for this intriguing book.
