Red White & Blue Mike Palecek

Red White and his dog, Blue

Kicking around a small town, your town, my town, not trying to stir things up, just trying to live free, think free, be free.

And as always happens, when someone does that, there is going to be trouble.

Homeland Security

Wouldn't it be nice?

Isn't that what we all want?

Just to be home.

Be safe.

Be happy and have our loved ones be the same.

But it's the world and we are people and this is life.

And it ain't never gonna happen.

A Reporter's Life

It ain't bad.

Get paid for doing what you want to do anyway.

Making a difference maybe and getting paid for it and pretty much having a fun day all week long.

And there's thoughtful, educated people you might meet in your office and you prob'ly will get to go places and talk to people you wouldn't otherwise.

And you can write about anything. In America nobody tells you not to write about anything.

You can write about anything.

You really can.

Go ahead, write about anything.

Rebellion

It's in the heart. It's there.

It pounds. It pumps.

It's there.

You feel it.

Sit quietly. Don't talk. Listen.

It's right.

There.

Scott Burnett:

Reading a book to be new life style in this year; every people loves to study a book. When you examine a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, and soon. The Red White & Blue provide you with a new experience in looking at a book.

Alissa Sowell:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Red White & Blue can make you experience more interested to read.
