John and Mary Ross are titled Irish gentry, with a large estate and a low profile. They have two daughters, Penny and Maddy. Penny is a high-flying banker in Dublin, and has her eye on the family jewels. Her younger sister Maddy is an unmarried mother, gone eccentric since the birth of her child.

Maddy and her son Sam live in the servants' quarters beside Rossmount House, and she caters to the needs of her parents, as if atoning for her fall from grace. It is rumoured that the father of Maddy's son is a monk.

Apart from Lady Rosse's binges on vodka or gin, Rossmount House is a tranquil place with plenty relics of old decency. Nobody expected the tremors that began when Penny brought home her future husband, Basil Sutton. There was something about Basil that put everything out of kilter.

Simple Twist of Fate is a 'flash-novel' or a novelette. It has approx 13.3K words, and is set in 5 chapter. The story is narrated by Sam, grandson to Lord and Lady Ross.

Praise for Eddie Stack's writing —

“Variously fantastic, comic, elegiac and nostalgic, Mr. Stack's fiction is versatile and engaging...a vivid, compassionate, authentic voice... securing (him) a place in the celebrated tradition of his country's storytelling.”

— New York Times Book Review

“There's a genuinely wild and fugitive comic sense — that puts one in mind of Myles na Gopaleen as much as the salt spume dam, George Makay Brown. Never sentimental, often funny, always accurate, this is pithy, finely tuned writing of a high order.”

— The Observer
