Please Note: This story is part of the 6 Story Collection: Secret Submissions: The Dom's Diaries by Beth Bond

Being fisted is an intense experience. It's possible for the woman to feel as if she is getting swept away in sensation, losing pieces of the person she is. This is particularly true with a woman like Anna. She had crafted an entire personality for herself, a fake person, who had forgotten life, forgotten pain and forgotten pleasure. It would be a long time before she was the same woman.

FROM THE BOOK:

“Did you like being spanked?” I slid my hand along her and she whimpered.

“No.” Her voice was a breathless whisper.

“Part of you liked it.” I ran my fingers lower and teased her gently. She gasped for me when I did.

“I- I don't know why it made me so wet.”

“I do.” My voice was sinister, was like bladed midnight. “You like being out of control. Even through the pain, you like knowing that I can do whatever I want.”

For Adults Only: This erotic short story (over 5,000 words) includes descriptions of erotic sexual situations including bdsm sexual encounters, light bondage, oral sex, domination, submission, fisting and more!
