101 Secrets to Career Success Rashika Fernando

Most career books discuss specific areas of the career, such as interview techniques and writing a good resume. Very few books actually talk about what to do once you "do" get the job. It is vital that people manage their careers. Typically, the books that discuss career management discuss only a small segment of the subject, such as time management. 101 SECRETS TO CAREER SUCCESS takes a holistic approach, providing a comprehensive collection of tips you'll need to succeed professionally--on the job, in the workplace, and also in life. The tips are motivational, inspirational, and practical--you can use them to help develop a successful and personally rewarding career in any field.
