OMG how much junk is available today. This is a book from ACTUAL trader. A person who puts his money on the line every day. You want to learn how to trade then hop on, or (if you pass) die trying. And believe me, you will die numerous times...

TRADE IS WORKING PERFECTLY, HURRY UP!!!

I have filled this book with information that anyone can use. From total beginner to real expert. Just check it out and you won't regret it. Today information is power. But what if somebody is constantly filling you with wrong informations that is actually taking this power from you. You can finally say STOP to those selfish people. This is a new world and it is all about adding value to each other. Everyone who is doing opposite from that will get destroyed. And number one people who are manipulating you all the time are Market Players, brokers and almost everyone in investing world. Their greed will be their doom. More and more people understand how to extract money from their pockets. Now it is time for you. If you want to be a part of investing world than you must read this. Don't be left behind and don't let them take anymore of your money.

What you will learn:

What is inflation

What is deflation

Options basics

Who are Market Makers

Power of High Frequency Traders

List of best ETFs to trade

What do bonds show investors

The most important chart in 2015

BEST trade for 2015

THE BEST strategy that uses TRUE power of COMPOUNDING

Financial traders are like elephants. They are too big to hide. An elephant walking by is not hard to notice. Unfortunately so many people do not know where to look. When you do not know where to look for them it is highly likely that you will be run over. So be sure to check it out. No wall street trader will ever tell you this. But, if they can screw with our heads, then let us fight back. This is a free world and YES we can win at their game. And we can win BiG.

All that is left for you is to take action!
