But she has her own secrets. She's not human—and her newly discovered heritage is causing havoc for her both in the human realm and in Faerie.

Fae can't survive without a tie to Faerie, and now that Alex's true nature has awoken, she's no exception. She must align herself to a court and soon. To retain as much freedom as possible, she makes a deal to track the source of a new glamour-infused street drug which causes hallucinations that kill—and not just the user.
