With New Age beliefs knocking at virtually every church in the world, *The Light That Was Dark* is a must-read for Christians and seekers alike.

A riveting testimony of a man who thought the gods of the New Age were leading him towards light and truth until his shocking discovery that the light he was following was actually darkness, a darkness that could destroy his life.

Led down a yellow brick road by pied piper spirits, I had, with the best intentions, landed in a metaphysical New Age where the Christ proclaimed was not the real Christ at all. A well-orchestrated and exquisitely timed series of supernatural synchronistic experiences had convinced me that my involvement in alternative spirituality was meant to be.

Following the signs and wonders of deceptive spirits, I had jumped through my spiritual hoops with almost flawless precision. As Joy and I both had unknowingly plugged into the spirit world, we never realized that most of the voices we were listening to were part of the deception the real Jesus had warned about. --Warren Smith, from *The Light That Was Dark*
