The Rime of the Ancient Mariner (Illustrated by Gustave Dore)

Samuel Taylor Coleridge

The Rime of the Ancient Mariner (Illustrated by Gustave Dore) Samuel Taylor Coleridge

A sailor dooms his ship's crew by murdering an albatross and is lost at sea, alone with the burden of his guilt, until a meeting with divine messengers brings him the opportunity to do penance.

Samuel Taylor Coleridge's (1772-1834) haunting parable of sin and absolution, *The Rime of the Ancient Mariner*, is widely recognized as one of the greatest narrative poems in the English language and was a defining achievement in the establishment of the Romantic Movement.

Coleridge's text is presented here alongside the classic illustrations of Gustave Doré (1832-1883), the great French engraver famous for his illustrations of Dante's *Inferno*, Milton's *Paradise Lost*, and the Bible. His imaginative and detailed illustrations are a beautiful and evocative visual compliment to this unique masterpiece of English literature.
